UNDERGRADUATE MODULES

These credit bearing Academic English modules are designed to develop the academic language and skills relevant to undergraduate study if your first language is not English. They are useful if you are not familiar with English-medium academic study.

They can be taken as an 8th module or as an extra 9th module with no additional charge. Most modules run in both semesters 1 and 2.

U70909 Essential Academic Writing (Level 4)
U70910 Academic Writing for Business (Level 4)
U70906 Academic Listening and Speaking (Level 4)
U70912 Academic Writing for Science and Technology (Level 4)
U70923 Academic English for Business Purposes (Level 5)
U70924 Higher Academic English Language Skills (Level 5)

Registration is through your Personal Information Portal (PIP).

UNDERGRADUATE ACADEMIC ENGLISH SUPPORT

This free service is designed to develop the language and skills needed to perform specific undergraduate academic tasks.

You can make use of this service in addition to following a credit bearing Academic English module.

Non credit bearing workshops in:

- Presentations
- Critical reviews
- Language for referencing
- Essay writing

and more...

plus ...

- One-one tutorials
- Writing consultations
- Online independent study resources
